DEAR READER,

Did you know that books contain magic? The type of magic that makes you want to read and read and read. Once you begin reading, it is possible to be transported to any time period in history, any place in the world, and deep inside the head of a fictitious character that the author has created. The best part is that you can be a part of something special without ever leaving your chair!

Menucha Classroom Solutions has launched a reading contest. All you need to do is read, and fill out a chart to begin receiving free prizes! Don't forget to have a parent sign the completed chart and then you are ready to submit.

You can take the chart back to school if you have received it from your teacher or send your completed chart to Menucha Publishers at 1235 38th St., Brooklyn, NY 11218.

Make sure a parent signs it, and then mail, email or fax it to us at:
